Reference Staff has been busy with selection, weeding, and shelving. We have seen an increase of traffic at the Reference Desk, too. It must be the warmer weather and school being out for the summer!

Youth Services

Youth Service is Summer Reading. We have over 700 children signed up so far. We have over 45 volunteers. The Department is a constant hum of activity. We have had great participation in all of our programs in the library and from groups coming in. Darlene Eiffes has had numerous summer school groups visit the library and attend her custom designed programs. We are cooperating with the Park District and telling stories at one of their programs. We showed "Gnomes and Juliet" as our movie on the big screen and had a fabulous turnout of 100 patrons. It's turning out to be a terrific summer.
