

Youth Services would like to purchase four soft-seating chairs for use by parents and children. During the West Wing expansion, we stored soft-seating from the West Wing in Youth Services and it became very popular with patrons. We are still in the process of gathering other bids, but here is a representative chair that we are considering. We will have bids and more specifics to distribute at the Board Meeting.

Chair Model Name: Integra  
Coffee House Freestanding Seating  
26" Straight Standard  
Quantity: 4
