RE: Proposed Library Policy Manual Updates
DATE: August 7, 2018

Hi Everyone,

The Bylaws Committee completed its annual review of the Library Policy Manual and proposes the following updates (changes are in **bold, underlined, and italicized**):

Art Gallery, Page 3: This is a new policy intended to harmonize the use of the Art Gallery with the Library's other display policies.

Small Group Meeting Rooms, Page 39: This change expands the type of identification that the Library will accept from patrons reserving a Small Group Meeting Room.
