Board Professional Development
Page 1 of 2
Amended June 5, 2016

Thoughtful and informed governance of a public library obligates each Board member to be familiar with the legal, technological, and budgetary issues now facing public libraries.

Although staff is trained to deal with questions specific to public library administration, Board members, as ultimate decision makers for the institution, will benefit from the opportunity to expand their knowledge of increasingly complex library issues. The Board recognizes that it can benefit greatly from professional development opportunities offered by organizations such as the American Library Association and the Public Library Association. The guidelines below will help the Board Development Committee allocate available professional development funds and provide adequate funding for future budget requests.

1. An amount not to exceed 1.25% of the Library's annual operating budget should be allocated for Board / Staff professional development.
2. As a general rule, 60% of professional development funds should be allocated to staff and 40% to the Board.
3. The purposes for which professional development funds are to be used for the Board are ranked in order of importance as follows:

Priority 1: development of skill sets necessary for core Board responsibilities (ex: a financial management seminar for the Treasurer or a seminar on the Open Meetings Act for the President or Secretary)

Priority 2: meetings that deepen the Board Members' understanding of and connection to the library profession as a whole (ex: attending Public Library Association meetings or the annual meeting of the American Library Association)

Priority 3: development of skill sets not currently present or fully developed on the Board (ex: a seminar on legislative lobbying, marketing, or public relations)

4. The Development Committee will apply the following guidelines to Board requests for professional development funds: A) the Development Committee will set deadlines for such requests so that they can be made part of the normal budget preparation cycle; B) a portion of the funds will be set aside for use when requests for unbudgeted items come to the Committee; C) requests which are anticipated to be under \$500 will be reviewed by the Chair of the Development Committee or his/her designee; D) as the Development Committee's designee, the Library Director will review all requests for funds which are anticipated to be greater than or equal to \$500. In reviewing such requests when more than one Board Member has applied for limited funds, the Director will apply the following selection criteria:

Board Professional Development
Page 2 of 2
Amended June 5, 2016

1) preference will be given to the Board Member that has the longest time since last attending an educational event involving significant expense and/or travel; 2) if necessary, the next preference will be given to the Board Member that has attended the educational event applied for the least number of times; 3) if necessary, the final selection will then be determined by lot.

If an educational trip is cancelled by the attendee, the Director shall repost the availability of those funds before assigning them to another member of the Board or staff.

It is the policy of the Library to provide for brochure distribution near the Reference Desk and in Youth Services to distribute information of interest to patrons regarding area not-for-profit organizations, not-for-profit events, and information regarding matters of public health and safety. For the purpose of this policy, an event or organization is considered to be within the Library's "area" if it is within approximately 10 miles of Rolling Meadows.

Brochures or announcements concerning matters of public health and safety will be distributed. Examples of such a brochures or announcements include, but are not limited to, items concerning a missing child or pet, warnings from the Center For Disease Control, and alerts from the Department Of Homeland Security.

Brochures or announcements concerning not-for-profit organizations and not-for-profit events may be distributed. Examples of such a brochures or announcements include those concerning, but not limited to, area historical societies, senior centers, garden clubs, boy scouts and girl scouts, area bicycle associations, and area food depositories.

Individuals or organizations wishing to have items posted must submit them in advance to the Executive Director or the Executive Director's designee for approval. Unauthorized items will not be distributed. The Library will periodically rotate items to keep the distributable items current and to accommodate the greatest number of items in the limited space available.

Bulletin Board

Page 1 of 1

Amended June 5, 2016

It is the policy of the Library to provide bulletin board space to post information concerning matters of public health and safety and events of interest to Library patrons offered by area organizations. First priority for bulletin board space will be given to matters of public health and safety and to events from not-for-profit organizations.

An announcement concerning a matter of public health and safety will be posted on the appropriate bulletin board. An example of such an announcement includes, but is not limited to, an item concerning a missing child or pet, a warning from the Center For Disease Control, or an alert from the Department Of Homeland Security.

An announcement from a not-for-profit organization will be posted on the appropriate bulletin board if it:

- is for an event (as opposed to a general, permanent posting) and
- is to be held in our area (within approximately 10 miles of Rolling Meadows).

An announcement from a for-profit organization will be posted on the appropriate bulletin board if it:

- supports, in the Library's sole discretion, the Library's collection and programming.
(examples of such for-profit items include, but are not limited to: career planning seminars & résumé writing seminars).

Individuals or organizations wishing to have items posted must submit them in advance to the Executive Director or the Executive Director's designee for approval. Unauthorized items will be removed from bulletin boards. The Library will periodically rotate items to keep bulletin boards current and to accommodate the greatest number of items in the limited space available.

Canvassing, Peddling and Soliciting
Page 1 of 1
Amended June 5, 2016

Canvassing, as defined by City Ordinance (Chapter 74), is prohibited in the Library building. Canvassing outside of the Library but on Library property requires the Executive Director's prior approval. Such canvassing will be approved if it is conducted at a reasonable distance from the front entrance of the Library and so long as it does not disrupt Library operations, impede patrons from entering or leaving the Library, or create unsafe traffic patterns on the Library's sidewalks or parking lots.

This policy does not apply to activities coordinated between the Library and the Friends of the Rolling Meadows Library or the Library and the City Of Rolling Meadows. In all such cases, however, prior approval must be obtained from the Executive Director.

Peddling & Soliciting

For-profit peddling and soliciting, as defined by City Ordinance (Chapter 74), by organizations or individuals is strictly prohibited on all Library property.

Not-for-profit peddling and soliciting of funds may only be conducted in the Staff Lounge of the Library after obtaining the approval of the Executive Director. In considering approval, the Executive Director will take reasonable steps to confirm the not-for-profit status of the individual or organization and ensure that the time, place, manner, and duration of the peddling or soliciting will not disrupt Library operations or the use of the Staff Lounge. Examples include, but are not limited to, Girl Scout Cookie Order Forms and Rotary Club Food Drive sign-up sheets.

This policy does not apply to programs or activities coordinated between the Library and the Friends of the Rolling Meadows Library, the Library and the City Of Rolling Meadows, or to speakers, authors, or performers appearing at the Library as part of a Library-sponsored program. In all such cases, however, prior approval must be obtained from the Executive Director.

LIBRARY MISSION STATEMENT

The mission statement of the Rolling Meadows Library guides the selection of materials as it does the development of services and allocation of resources. This statement articulates broad principles for library programs and services.

The mission of the Rolling Meadows Library is:

To provide excellent
customer service & information

in a variety of formats,
including library materials and programs that
Educate, Inform, Enrich, Inspire, and Entertain.

The library serves the citizens of
Rolling Meadows,

linking them with resources
throughout the World
& providing equal access for all.

MATERIALS SELECTION POLICY

The Materials Selection Policy has been adopted by the Board of Trustees of the Rolling Meadows Library to guide librarians and to inform the public about the principles upon which selections are made.

1. Books, audio-visual and other library materials are selected on the basis of literary, educational, informational, and recreational value. The Library Executive Director has ultimate responsibility for selection and purchase of materials and operates within the framework of policies established by the Board of Trustees.
2. Library print materials are selected for values of interest, information, and enlightenment of all people of the community. No title is excluded on the basis of racial, religious, or political prejudice. Titles are selected, within the limitations of the budget, on the basis of critical consensus among recognized subject authorities. Suggestions from patrons (Rolling Meadows residents and businesses) are encouraged and will be given due consideration.
3. The library approaches the selection process in a positive manner. It attempts to judge a work as a whole and not on its isolated parts. Objectionable language and vivid descriptions of sex and violence when dealt with within the context of a work will not, by themselves, require rejection of the work. Materials which are primarily pornographic or obscene according to local community standards, as interpreted by the Library Board, will not be selected.
4. The same principles of selection applied to purchases are also applied to donations.
5. The Library Board of Trustees will review written complaints concerning specific titles when necessary, and retention or removal of the title will be determined in accordance with collection development procedures.
6. Attached is a copy of "The Library Bill of Rights" and the "Freedom to Read" statement of the American Library Association, which shall serve as a resource for those librarians responsible for the selection of library materials.

RESPONSIBILITY FOR SELECTION OF MATERIALS

Ultimate responsibility for materials selection rests with the Library Executive Director who operates within the framework of policies established by the Board of Trustees. The Executive Director delegates to the Directors of Reference, Readers, and Youth Services for collection development and to promote consistency in the selection and maintenance of the entire materials collection. All professional staff members may participate in the selection of library materials.

WEEDING

In order to maintain an up-to-date, useful collection, worn and obsolete materials are continuously weeded. Materials may also be withdrawn if they are little used or superseded by a new edition or better work on the same subject. Depth and breadth of varying degrees are desirable in various areas of the collection. The Collection Development Policy serves as a guide for weeding and maintaining the collection as well as for the selection of materials.

Titles are withdrawn from the library's collection through systematic weeding by selectors or because of loss or physical damage. Materials which are withdrawn because of loss or damage are reported to the Directors of Reference, Readers, and Youth Services, as well as other professional staff members, who decide whether the item should be replaced using the same criteria as for selection. Other factors applicable when deciding on replacements include the number of copies of a title the library owns, the availability of newer materials on the subject, the importance of the work in its subject area, its listing in standard bibliographies, its cost, and space limitations. Audiovisual materials which are withdrawn will be replaced in most cases with new, popular titles, as these collections are designed to meet current interest.

Weeding identifies damaged items, ephemeral materials which are no longer used, out-of-date materials, extra copies which are not being used, and materials which are no longer appropriate for the collection. Weeding also helps evaluate the collection by identifying areas where additional materials are needed; older titles which need to be updated; and subjects, titles, or authors which are no longer of interest to the community.

Withdrawn materials will be released to the Friends Of The Rolling Meadows Library (hereinafter "Friends") for sale. Materials the Friends cannot sell or which they determine to be unsellable, will be disposed of by the Friends or donated by the Friends to other charitable organizations and educational institutions of their choice. The Library requests that the Friends give local charities and educational institutions the highest priority.

GIFT BOOKS

Gifts to the collection can be in the form of money or actual materials. Gift plates and letters of acknowledgment are appropriate stipulations by a donor, but other requirements should be evaluated carefully before the gift is accepted. All gifts become part of the general collection and should not require special circulation procedures. Gifts of books and other library materials are gratefully accepted by the Library with the understanding that they will be considered for addition to the collection in accordance with the Materials Selection and Weeding Policies. The Library reserves the right to sell or otherwise dispose of gift materials not added to the collection.

When a patron offers to donate books, magazines, or audiovisual materials to the Library, the following guidelines apply:

The Library will accept hardcover and paperback books, audiovisual materials and popular magazines if they are in good condition. Generally *National Geographic* will not be accepted unless the issue is missing from the collection, but the patron is encouraged to donate such items to schools, etc. Local history materials from Rolling Meadows are welcome. These gifts are inspected by staff or volunteers for odor, water damage, wear, and age. Appropriate material may be added to the collection, put in the Friends of the Library book sale or, if not in acceptable condition, discarded.

The donor will receive a written acknowledgment of the gift. Library staff will not appraise the books or indicate a value in the acknowledgment letter.

RECONSIDERATION OF LIBRARY MATERIALS

A singular obligation of the public library is to reflect within its collection differing points of view on controversial or debatable subjects. The Rolling Meadows Library does not promulgate particular beliefs or views, nor does the selection of an item express or imply an endorsement of the author's viewpoint. Library materials will not be marked or identified to show approval or disapproval of the contents, nor will items be sequestered.

Comments from members of the community about the collection or individual items in the collection frequently provide librarians with useful information about interests or needs that may not be adequately met by the collection.

Collection Development
Page 5 of 7
Amended June 5, 2016

Patrons who request the reconsideration of library materials will be asked to put their request in writing by completing and signing the form entitled "Citizen's Request for Reconsideration of Library Materials". (attached)

Upon receipt of a formal, written request, the Executive Director will appoint an ad hoc committee including, but not limited to, the selector for the subject area of the item in question and the appropriate supervisory staff. The committee will make a written recommendation to the Executive Director who will then make a decision regarding the disposition of the materials. The Executive Director will communicate this decision and the reasons for it to the person who initiated the request for reconsideration at the earliest possible date. The Executive Director will inform the Board of Trustees of all requests for reconsideration of library materials and their disposition.

In the event that the person who initiated the request is not satisfied with the decision of the Executive Director, he/she may appeal for a hearing before the Board of Trustees by making a written request to the President of the Board. The Board of Trustees reserves the right to limit the length of presentation and number of speakers at the hearing. The Board will determine whether the request for reconsideration has been handled in accordance with stated policies and procedures of the Rolling Meadows Library. On the basis of this determination, the Board may vote to uphold or override the decision of the Executive Director.

SELECTION GUIDELINES

Selection is a discerning and interpretive process, involving a general knowledge of the subject and its important literature, a familiarity with the materials in the collection, an awareness of the bibliographies of the subject, and recognition of the needs of the community.

CRITERIA

Literary merit; enduring value; accuracy; authoritativeness; social significance; importance of subject matter to the collection; timeliness; popular demand; cost; scarcity of material on the subject and availability elsewhere; quality and suitability of the format; other considerations may be applicable in specific subject areas. Selectors should choose materials that will build a well-rounded collection which includes all viewpoints and opinions and which will meet patrons' needs.

TOOLS

Professional journals; trade journals; subject bibliographies; bookseller websites; publishers' catalogs and promotional materials; reviews from reputable sources; lists of recommended titles; and sales representatives for specific materials. Purchase suggestions from patrons are also an important source.

SCOPE

Materials selected for the Library collection are intended to meet the informational, educational, cultural, and recreational needs of the residents and businesses of Rolling Meadows. The scope of the collection is intended to offer a choice of format, treatment, and level of difficulty so that most individual library needs can be met and service given to individuals of all ages, within current budget parameters and constraints. The Library encourages the use of interlibrary cooperation to better serve the needs of its clientele by expanding available resources. The collection scope is intended to provide supplemental materials for individuals pursuing educational programs and a beginning point for those seeking more advanced information. The emphasis is on acquiring materials of wide-ranging interest to the general public. The collection is not archival, and is reviewed and revised on an on-going basis to meet contemporary needs.

FORMAT

Materials are purchased in the most appropriate format for Library use. Books are generally purchased in hardcover editions because of their durability. However, paperback editions may be purchased, and are preferred in cases where the hardcover is extremely expensive and the title would either be used infrequently or is of an ephemeral nature. Paperbacks are often purchased as added copies of popular titles to meet patron demand and as a part of the paperback collection. Library editions are purchased for heavily used titles in the Youth Services Department because of their durability.

Formats include print and audiovisual materials. The library recognizes the place of nonprint formats in the collection as legitimate educational and recreational resources for the community it serves. The Library monitors the development of new formats and, within budgetary and technical limitations, adds these to the collection.

TREATMENT

Treatment most frequently describes the style and, indirectly, the intended audience of a work: popular, scholarly, and humorous are some of adjectives used with it. Treatment may be appropriate or inappropriate for the subject and

the intended audience, but it is something that is judged on a title-by-title basis. A variety of treatments is desirable for many subjects.

LEVEL OF DIFFICULTY

The range of difficulty starts with picture books and easy nonfiction, and progresses through graded readers to college level textbooks and beyond. Materials intended for professionals in a field are considered when general introductory and intermediate level materials exist in the collection, or when these levels are included in the same work.

ARCHIVAL

Archival refers to the holding policies for part or all of the collection. At the Rolling Meadows Library, current usefulness is the determining factor in how long material is kept. There is no attempt to be complete in terms of historical coverage except with regards to the local history of Rolling Meadows. Old editions are withdrawn when new ones are received or when the contents are incorrect or out of date. No extraordinary effort is made to preserve or protect the last copy of any title in the collection.

Display Case
Page 1 of 2
Amended June 5, 2016

Library display cases are available as an enhancement to the Library's community information and referral function by exhibiting displays of the ideas, objects, and resources of Rolling Meadows not-for-profit organizations and residents. Use of Library display cases is subject to the following rules:

1. Library displays and those sponsored by the Library will have the highest priority for scheduling purposes.
2. Exhibitors must be Rolling Meadows Library cardholders or organizations located in Rolling Meadows.
3. Library display cases will not be made available for personal or commercial use and prices will not be displayed.
4. "Display cases" for the purpose of this policy is limited to the two lockable wall cases on the Main Level of the Library on either side of the elevator. All other areas in the Library are reserved for Library-initiated displays and postings and are explicitly not available for use by the public, not-for-profit organizations, or individuals.
5. Use of Library display cases is subject to all other Library policies - including, but not limited to, Library policies dealing with canvassing, peddling, and soliciting.
6. The display of materials on Library property does not constitute an endorsement by the Library of the beliefs or viewpoints expressed in those materials. A disclaimer to this effect may be used by the Library in any form and at any time and place it deems necessary.
7. The exhibitor will not publicize a nonprofit display in any manner that suggests Library sponsorship or affiliation.
8. The Library regulates the time, place, and manner of all displays and assures access which is both subject and content neutral.
9. Displays which significantly interfere with library operations, such as those that produce excessive noise, a significant safety hazard, or a significant security risk, will not be permitted.
10. The Library will not censor or remove a display because some members of the community disagree with its content. Not-for-profit groups and individuals with an opposing viewpoint may schedule their own display.
11. Coordination of Library displays will be done by the Director of Special Services.
12. While the Library retains the right to preview all display materials before they are installed, for practical reasons the usual process may involve review by the Director of Special Services during or after installation.
13. The determination that material is not acceptable for exhibit in Library display cases will be made by the Executive Director. Appeal of the Executive Director's decision may be made in writing to the Library Board of Trustees. The decision of the Library Board of Trustees shall be final.

Display Case
Page 2 of 2
Amended June 5, 2016

14. If a display is not in compliance with Library rules, seven days will be allowed to remedy compliance issues. During this time, the Library may choose to cover any non-complying display materials from view and provide a sign indicating that installation is "in progress". If the display has not been corrected within the seven day period after notice of noncompliance, the display may be removed by Library staff and returned to the exhibitor. Repeated violations may be grounds for denial of future requests by the exhibitor to display items at the Library.
15. When the Library is used as a local, state or federal polling place, any materials on display in the library which do not comply with election laws may be removed by the Library at the request of election officials.
16. One lockable wall case on the Main Floor will be reserved for booking thirteen months in advance of the display. The remaining lockable case will be held for "closer in time" scheduling.
17. Exhibits are normally scheduled for a one-month showing; however, this may change depending on display case availability. An exhibitor may present a display one time per year, using a rolling twelve-month calendar. An exhibitor may submit new scheduling requests after the last day of the month for that exhibitor's current display. Applications for scheduling of display cases will be available at the Welcome Desk and will be forwarded by Library Staff for review by the Director of Special Services.
18. The exhibitor agrees to assume full responsibility for the loss of or damage to the premises, equipment, or furnishings of the Rolling Meadows Library caused by the exhibitor or its members.
19. The Rolling Meadows Library does not insure displays at the Library. All reasonable precautions will be taken to protect display materials in the display cases. Exhibitors are encouraged to provide their own insurance for valuable materials. By using Library display cases, the exhibitor agrees to hold the Rolling Meadows Library, its Board, staff, and volunteers harmless from all loss or damage arising from the exhibit.

Library Closing: Weather
Page 1 of 1
Amended June 5, 2016

When the weather is bad, the most important issue is whether we can safely get enough Staff in to keep the public desks open. Staff not working at public desks should check with their supervisors to see if they can rearrange their weekly work schedules. Again, supervisors need to make the final decision on this, but if Staff isn't needed at public desks and they want to swap a day later in the week, it may be a good idea to allow this.

Things that DO NOT determine our Library's closing include:

1. **School Closings.** Schools close, in large part, because of bus routes and a concern that children not wait in severe weather for the bus. The closure of schools makes it more important that we stay open since there may be a lot of kids and parents with nowhere to go but the Library. Part of the public support we receive is due to the fact that we are available when other agencies are closed.
2. **Closure of Other Libraries.** Each library considers the number of local staff members it has, how easy it is for patrons to walk to the library, and whether a large percentage of its patrons are local (some larger libraries serving a regional clientele may find it less important to stay open). We are lucky in that a large percentage of our staff is local and many of our patrons come very short distances to get to the library. This allows us to operate when others must shut down. As long as everyone can get in and out safely, we will be open.
3. **Closure of Area Businesses or Malls.** Again, the commute time of employees of these businesses is important in their decision. For malls that rely on customers to drive from many miles away, the decision to close can make business sense but does not determine whether or not the library should close.

Reservations And Priority Of Use

The Library's meeting rooms may be reserved by Rolling Meadows Library card holders for not-for-profit use only. Meeting rooms are for use by groups; study carrels, tables, and chairs are available throughout the library for individual use. Because the Library's meeting rooms are limited in number and the demand for their use is high, priority for their use will be given in the following order:

1. Rolling Meadows Library meetings and programs.
2. Friends Of The Rolling Meadows Library meetings and programs.
3. Rolling Meadows Library card holders age 18 or older and not-for-profit organizations located in Rolling Meadows with a Rolling Meadows Library cardholder age 18 or older to make the reservation and serve as the responsible party for the meeting.
4. Not-for-profit organizations located outside Rolling Meadows with a Rolling Meadows Library cardholder age 18 or older to make the reservation and serve as the responsible party for the meeting.

Groups will be booked in order of priority and then by the date the application and check are submitted. Meeting room applications and checks should be submitted at least 3 weeks prior to the meeting. No room will be reserved until both the application and check have been received. Meeting room reservations for September 1 – August 31 will begin to be accepted the previous July 15th. No individual or organization will be allowed to reserve a meeting room more than once per month without prior approval by the Executive Director.

Cancellation Of Meetings

The Library shall be notified as soon as possible if a cancellation becomes necessary. Any fees paid will be refunded only if the cancellation is made at least 24 hours in advance of the meeting. Failure to provide such notice may result in the denial or cancellation of future reservations and the forfeiture of fees already paid.

The Library reserves the right to cancel or relocate meetings if necessary. If possible, the Library will provide notice of meeting room cancellations or relocations at least 30 days before the meeting.

General Rules Regarding Meeting Room Use

1. **Not-For-Profit Use** - Use of Library meeting rooms is subject to all other Library policies - including, but not limited to, Library policies dealing

Meeting Room

Amended June 5, 2016

- with canvassing, peddling, and soliciting. Sales and fundraising are not allowed on Library property or at meetings not sponsored by the Library.
- 2. **Endorsement By Library** - Use of Library meeting rooms does not constitute an endorsement by the Library of the beliefs or viewpoints expressed at such meetings. A disclaimer to this effect may be used by the Library in any form and at any time and place it deems necessary.
 - 3. **Publicity** - No organization or individual will publicize a meeting in any manner that suggests Library sponsorship or affiliation without prior written approval by the Library. The Library's telephone number will not appear on any promotional material concerning a meeting.
 - 4. **Time, Place, And Manner Restrictions** - The Library regulates the time, place, and manner of all meetings and assures access to Library meeting rooms which is both subject and content neutral. The Library will not deny use of a meeting room because some members of the community disagree with the views of the participants of the meeting.

Legacy Project Policy

Page 1 of 1

Amended June 5, 2016

The purpose of the Legacy Project is to identify and honor volunteers who have made a significant contribution to the growth and maintenance of the Rolling Meadows Library. A secondary purpose is to bring the library's history alive for the public through the works of its most significant volunteers.

Volunteers include past and current Friends Of The Library, Board Members, and individual volunteers assisting departments and committees within the library.

Anyone can nominate a volunteer to receive Legacy Project recognition. A form will be made available in both print and on-line formats.

The Heritage Committee may identify up to three candidates each year for possible induction. All nine honorees from the Playmakers Project will automatically be included in the first class of Legacy Project inductees in 2012. Inductions will be made at the annual Volunteer Luncheon. A simple majority vote of the Heritage Committee, followed by a majority vote of the Library Board, will secure induction of a candidate. Unsuccessful candidates may be reconsidered for induction if they are re-nominated at a future time.

A framed poster approximately 12" x 18" will be permanently displayed in the library to honor each Legacy Project Inductee. The poster will include a photo of the inductee, the word "Volunteer" and designation of their volunteer type as "Friend", "Trustee", or name of the department they worked with. An electronic version of the poster will also appear on the library's web page for viewing by family and friends not residing in the Rolling Meadows area.

Book & Other Material Displays

Page 1 of 1

Amended June 5, 2016

Book & Other Material Displays In The Library

Displays are marketing tools for the library. The purpose of displays in the library is to highlight materials that have the potential to significantly increase circulation while not distracting residents from our mission. Displays that hold the potential for a high level of controversy threaten the library's mission and non-partisan standing in the community. The library should avoid using displays to advance any political or social agenda of the Board, staff, or any outside organization.

The collection should contain all points of view, but that does not mean that all parts of the collection will result in displays. Again, displays in the library are marketing devices intended to significantly increase circulation.
