2017 legacy project

The RML Legacy Project honors volunteers who have made an extraordinary contribution to the growth and maintenance of the Rolling Meadows Library. Up to three worthy candidates are chosen annually and are recognized at the annual Volunteer Luncheon. This year's honorees are:

Donald Cavi, Board Member 2010 to 2016

Don served on both the Library Board and Planning Committee. He used his training in mechanical engineering to consult with the board, staff, and contractors on heating and air conditioning repairs and renovations at the library. A lifelong patron of libraries, Don looked forward to board meetings and liked being involved with the community.

Barbara Evenson, Friends Member 1958 to 1969

Barbara was a member of the Friends of the Library and served as the first full-term elected president. She was involved with gathering materials for the library's initial collection, forming a Friends organization, and creating a library. Having a library for children to go to was a driving force in her involvement with RML.

Katherine Kinney, Library Volunteer 2010 to present

Katherine volunteers in the Technical Services Department. She withdraws library materials from the ILS System and OCLC databases, and processes them for the Friends' book sales. She likes the camaraderie of the small department of people in Technical Services and "loves the atmosphere of a library."

Find out more about these recent inductees, as well as the previous honorees, on our website. Just go to www.rmlib.org and click on **About the Library**, then click on **RML Legacy Project**. Or come to the library and see the project displayed in the Friends Book Shop. Framed posters of each of these library-loving individuals are on display in the library lobby, above the Check Out Desk.
